

## **Utah State Charter School Board**

### **Start-Up and Implementation Grant—Innovation Grant Application**

#### **LEA Contact Information**

LEA will select their name from a list of available LEAs that will then auto-populate the name, address, phone number, email address, and website.

#### **Assurances**

LEA will mark that they meet the following requirements:

1. In accordance with Section 53F-2-705 and Rule R277-554-2(4), confirmation that LEA meets any of the following conditions for start-up and implementation grant funds:
  - (a) implementing a new curriculum;
  - (b) implementing a new program; or
  - (c) implementing an innovative practice not funded by the Innovative Sandbox funding as described in Rule R277-919.
2. Confirmation that applying LEA is authorized by the SCSB and meets the requirements of Rule R277-554-2.

#### **Project Proposal**

Brief Narrative describing the project:

Duration of project:

Start Date:

Completion Date:

Project Goals:

Budget describing how funding will be used:

Project Implementation:

Activities and strategies being used:

Why is this grant important for your organization and the community it serves?

Other attachment(s) optional:

#### **Project Reporting:**

Upon completion of the project, a brief written report of the project will be submitted. This narrative will outline the outcomes of the project and any relevant takeaways that can be shared with other stakeholders. The deadline will be determined based on the scope and nature of the project.
